

Call for solutions: Tech against disinformation

Application form. Second round.

Below you will find the Application Form for Digital Future Society's Call for Solutions "Tech against disinformation". We encourage you to clearly answer all questions in detail to facilitate the evaluation of your proposal.

To participate, please follow the steps below::

1. Fill in this application form.
2. Save the form with the name of your organisation.
3. Attach the form through the following website and press the "submit" button.
4. Once sent, you will receive an email confirming your participation.

Remember it is mandatory to answer all questions with an asterisk (*)

The deadline for sending in your proposal is the **10th of September 2021 at 12:00 PM** (CEST Time zone). If you have any questions, you can contact challenge@mobileworldcapital.com and we will get back to you as soon as possible.

Contact details

Name*		Surname*	
Telephone*		Email*	
Organization*			

Title of the proposal

Indicate the title of your proposal. It must be the same as the title given on the previous form.*

(Maximum 100 characters, including spaces)

Pilot implementation plan (PIP)

1. Present your solution's Pilot implementation Plan in a clear and detailed manner according to the 3-phase structure proposed below. Describe the objectives, activities, duration and expected results for each phase. *

The "budget" box will be filled in automatically following the completion of point 6.

Phase 1	Pilot preparation		Duration*
			Budget
Objectives*			
Activites	Activity 1.1*		
	Activity 1.2		
	Activity 1.3		
	Activity 1.4		
Results*			

Phase 2	Pilot implementation		Duration*
			Budget
Objectives*			
Activities	Activity 2.1*		
	Activity 2.2		
	Activity 2.3		
	Activity 2.4		
Results*			

Phase 3	Pilot evaluation	Duration*
		Budget
Objectives*		
Activities	Activity 3.1*	
	Activity 3.2	
	Activity 3.3	
	Activity 3.4	
Results*		

Additional phase (Optional)

If your pilot implementation plan requires an additional phase, fill in the “phase 4” table below. Please, indicate the title of its additional phase.

Phase 4		Duration
		Budget
Objectives		
Activities	Activity 4.1	
	Activity 4.2	
	Activity 4.3	
	Activity 4.4	
Results		

- 2. Explain the ideal context for successfully developing the pilot project Spain. Specify the pilot's implementation needs and determine the technical and operational requirements for a good implementation of your solution. ***

(Maximum 1500 characters, including spaces)

Partnership

- 3. What partners and counterparts would you need to develop the pilot project successfully? What is your current relationship with the necessary partners mentioned? ***

(Maximum 1500 characters, including spaces)

Sustainability

4. What is the solution's business model or sustainability plan beyond the pilot? *

(Maximum 2000 characters, including spaces)

Working team

5. Introduce the team that will work on the pilot. Indicate each member's position, experience, professional profile, etc., as well as the dedication to the pilot (in percentages). You must present how the team will be organized and responsibilities distributed. *

(Maximum 1500 characters, including spaces)

Budget

6. Provide the budget required to implement the pilot, according to the activities proposed in point 1 of this form. *

According to the [Terms & Conditions](#), the call can contribute up to € 40,000, with participants having to contribute at least 20% to the pilot's total budget (in cash or in-kind).
